

DIY T-SHIRT BAG

This hack doesn't just result in a fashionable bag; it also helps cut down on the world's waste!

YOU WILL NEED: (Safety first! Always ask an adult for permission and help)

- One of Your Favorite Old T-Shirts
- Decorative Charms
- Thread and Needle
- Scissors
- Pliers

Directions:

- Cut the sleeves & neck off the t-shirt.
- Turn the shirt inside out & cut small slits along the bottom. Tie the ends together in two knots so you have a row of knots along the bottom.
- Turn the shirt right side out. Thread your needle & use it to fasten the charms to the outside of the bag.
