# Turkey Pop-Up Card

Carefully cut out the pop-up pieces for the turkey pop-up card following the solid lines with scissor icons. Score and fold according to the guide on the template.
* Type of paper to use when printing : Cardstock or paper with thickness of 120gsm to 200gsm
MOUNTAIN FOLD

The crease/fold is at the top or towards you and the paper is folded behind into itself. The paper should form a mountain when you
VALLEY FOLD

The crease/fold is at the bottom or away from you and the paper is folded forward into itself. The paper should form a "V" when you

SCORE

Paper score is a ridge that is indented into the paper where the fold line will occur. Use a empty ballpoint pen ruler or any dull edge that won't cut the paper. Press the ruler (or any dull edge used) down firmly at the place you want to fold.
