#4 Monster Theatre instructions

- 1 Cut out all parts. Use a craft knife for best results. Also cut out the internal shape on part 1.
2. Carefully fold along all fold lines (see key). Before folding it is recommended to score the line lightly with a craft knife or a ballpoint pen that no longer has ink in it. This will make folding easier and more precise.
4. Glue tab 2A behind side 1A.
5. Glue tab 3A behind side 1B.
6. Glue tab 4A behind side 1C.
7. Glue tab 2B behind side 3B.
8. Glue tab 2C behind side 1B.
9. Cut out the monsters and stick onto popsicle sticks
10. Now you can stand up the theatre on a flat surface and play with the popsicle stick monsters in their theatre!
