Print this page twice

- 1 You will need - 2 large red squares of paper (roughly 21 x 21cm) a small red piece of paper (approx 10 x 10cm) & a mini white piece of paper (approx 5 x 5cm) .
- 2 Take one large square and fold in half diagonally.
- 3 Take the bottom right corner and fold up to the top corner.
- 4 Repeat on the left hand side.
- 5 Unfold and fold the top corner of the top layer of paper to the bottom, where the 2 diagonal folds meet.
- 6 Take the right hand corner and fold to meet the middle, where the top corner was also folded to in step 5.
- 7 Repeat step 6 on the left hand side.
- 8 Lift the bottom right hand side up and hook the fold created in step 6 over the fold created in step 5.
- 9 Repeat on the left hand side.
- 10 Take the top corner and tuck the whole of the top section behind the halfway fold as well, crease in place once in position.
- 11 Take a pen and mark on nostrils close to the bottom of the triangle, and some lines across the middle to suggest wrinkles on the dragon.
- 12 Take your small piece of red paper & cut small triangles from the corners.
- 13 Glue the triangles to the top of the dragon's head to create horns.
- 14 Cut small semi circles out from the mini white piece of paper and stick to the face to create eyes. Using a pen to add detail to the eyes .
- 15 Repeat steps 2 - 4 on the second large square.
- 16 Take the left hand side and fold diagonally from the bottom corner to about 2cm away from the fold you've just created.
- 17 Repeat the same angle of fold on the right hand side.
- 18 Fold the left edge in line with the fold created in step 16, and repeat on the right to the fold from step 17.
- 19 Repeat the process again, about 2cm away from the previous diagonal folds.
- 20 Gently pull both sides out, these are your dragon's wings.
- 21 Take the top layer of paper from the top corner and fold down to where the wings meet.
- 22 Draw a tail on your small red piece of paper, including a triangle for the tip of the tail.
- 23 Cut the tail out and glue to the underside of the top point.
- 24 Slot the central triangle from your second large square inside the pocket of the dragon's head, until it's fully tucked in.
- 25 Your bookmark is completed. Slot the corner of the page you're holding inside the pocket behind your dragon's head & let the dragon guard your page!
