unicorn headband

Materials:
Scissors
Printed Template
Glue
Tape

Instructions:

Step 1: print and cut out your template. Glue or tape the long strips together for the main headband.

Step 2: measuring the long strip around your head, work out where you should tape it so it fits snugly. You can trim the excess strip off.

Step 3: add the unicorn horn with glue to the front of your headband.

Step 4: choose which flowers you would like to add to the front of your headband

Step 5: if you have glitter or sequins, you may like to add these to the flowers and/or the unicorn horn!

Step 6: Complete! Your unicorn headband is now ready to make magic!
