FLORAL EASTER BASKET

Instructions

WHAT YOU NEED:

Scissors

Glue stick

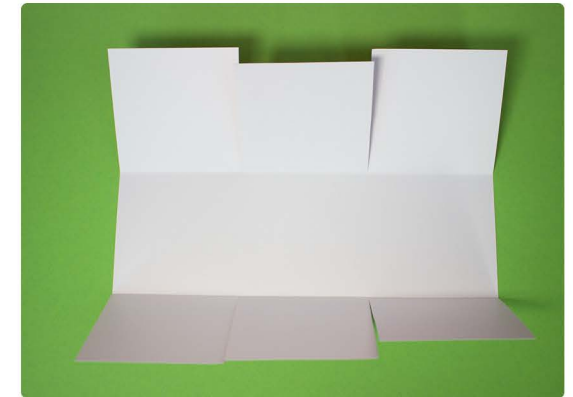

Print on cardstock paper for best result

1. Cut out the rectangle and the flowers along the dotted lines. Then cut off the handle on the left of the rectangle following the dotted line.

2. Cut towards the center of the rectangle four times following the dotted lines.

3. Place the rectangle on a flat surface with the patterned side facing down. Fold each square towards the middle using the folding lines as a guide.

4. Open the folds again and fold the left and right pieces towards the middle as well as seen on the picture.

5. Take the outer squares and place them together as shown, glueing them where they overlap. Repeat on other side.

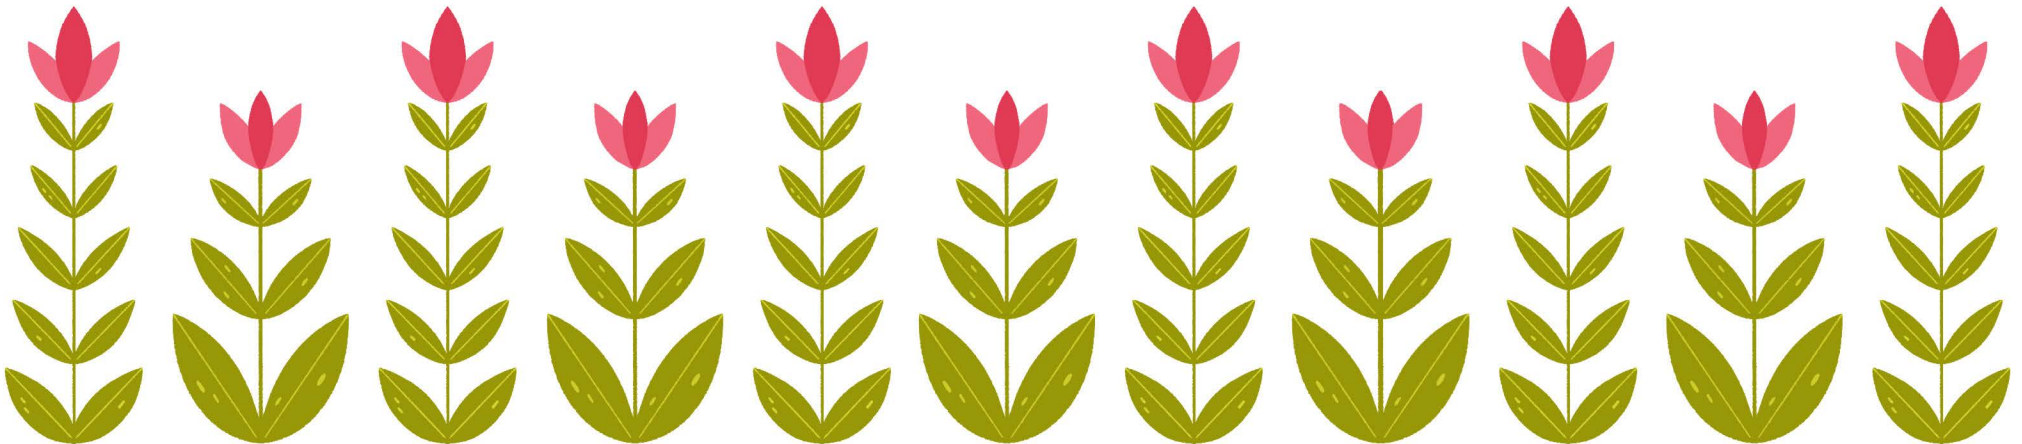

6. Add glue to the remaining square and attach it to the other squares. Repeat on other side.

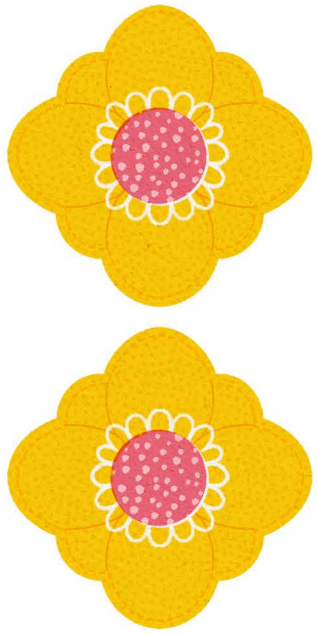

7. Add glue to the ends of the handle and attach it to the outside of the back as shown on the picture.

8. Glue the flowers on the ends of the handle and you are done!
