Flowers

Insert the center of the flower and glue (to the back) of the petals

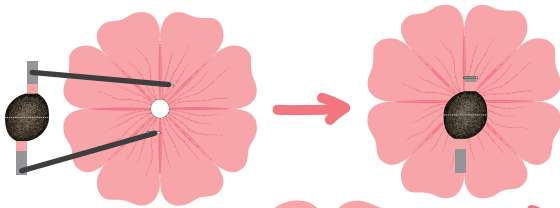

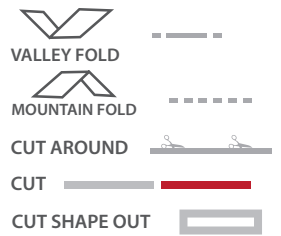

Glue (on the dark part) the petals and the center on to the rest of the flower

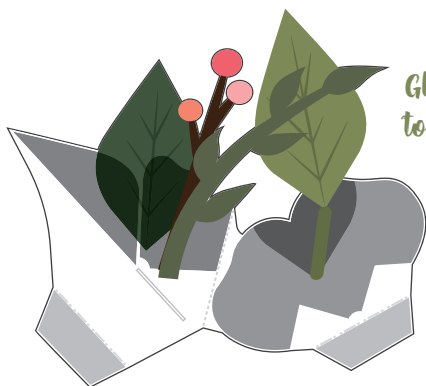

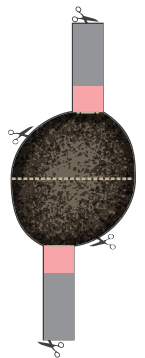

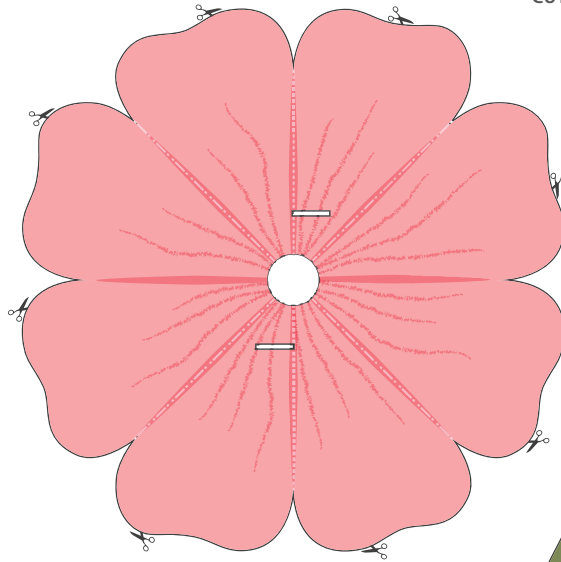

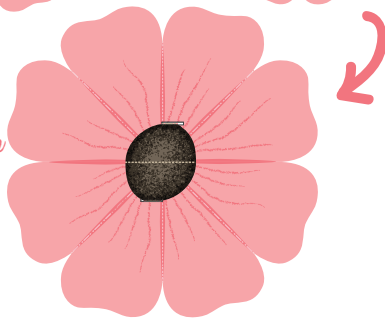

WHAT YOU NEED:

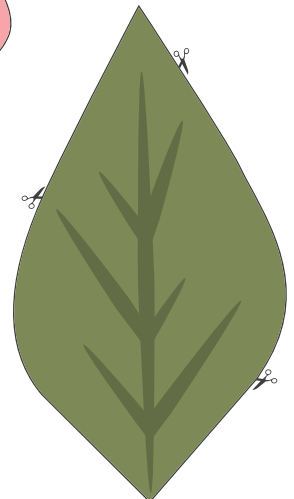

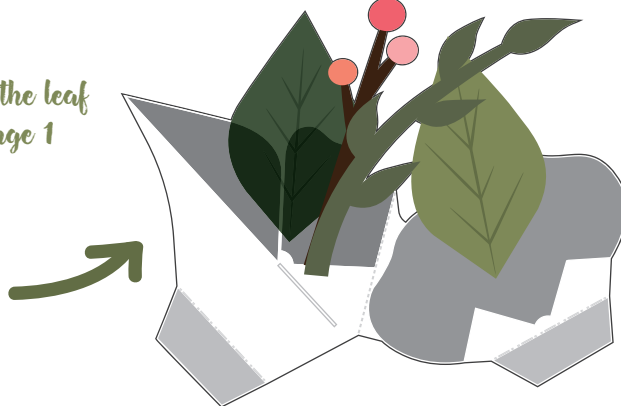

A pair of scissors or craft knife or any cutting tool that you have.
Glue. Any scoring tool.
And to print out the template in cardstock or any paper thicker than normal copier paper (at least 160gsm)

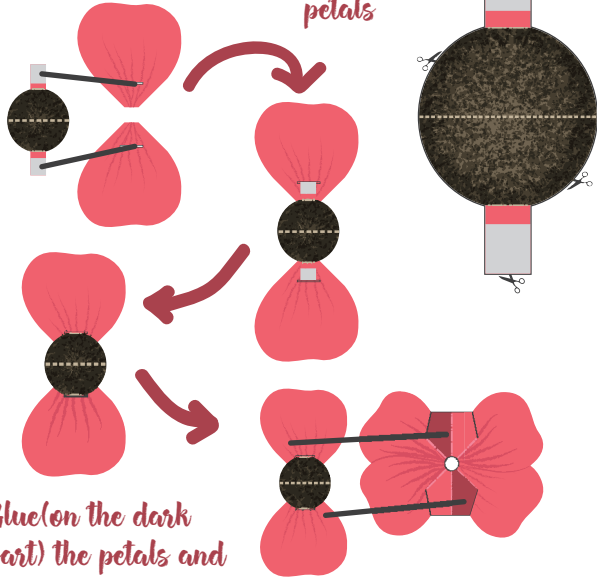

Insert and glue (to the back side) center of the flower on to the flower

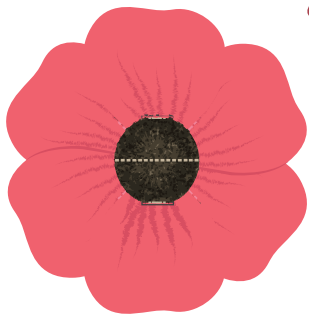

Glue the leaf to hinge 1

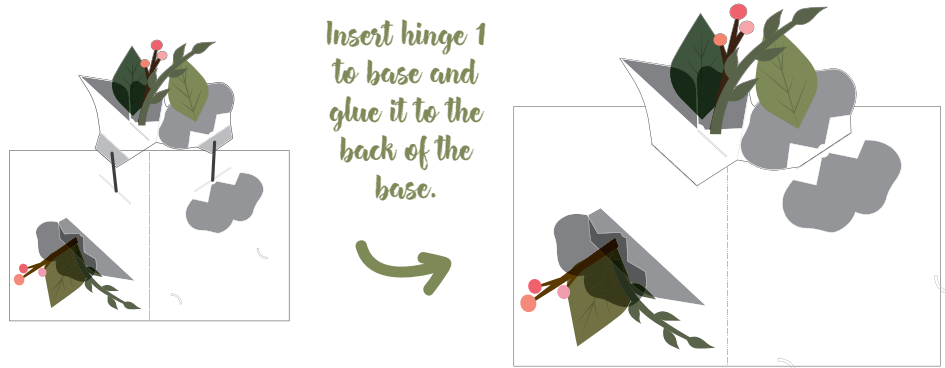

Insert the center of the flower and glue (to the back) of the petals

Glue (on the dark part) the petals and the center on to the rest of the flower

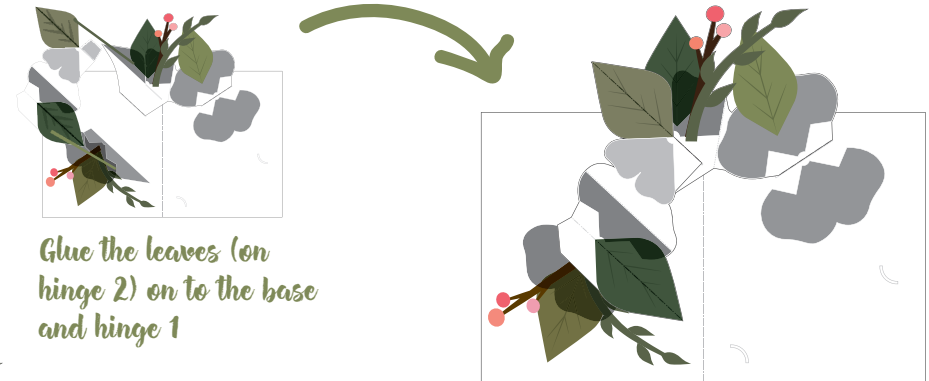

Insert hinge 1 to base and glue it to the back of the base.

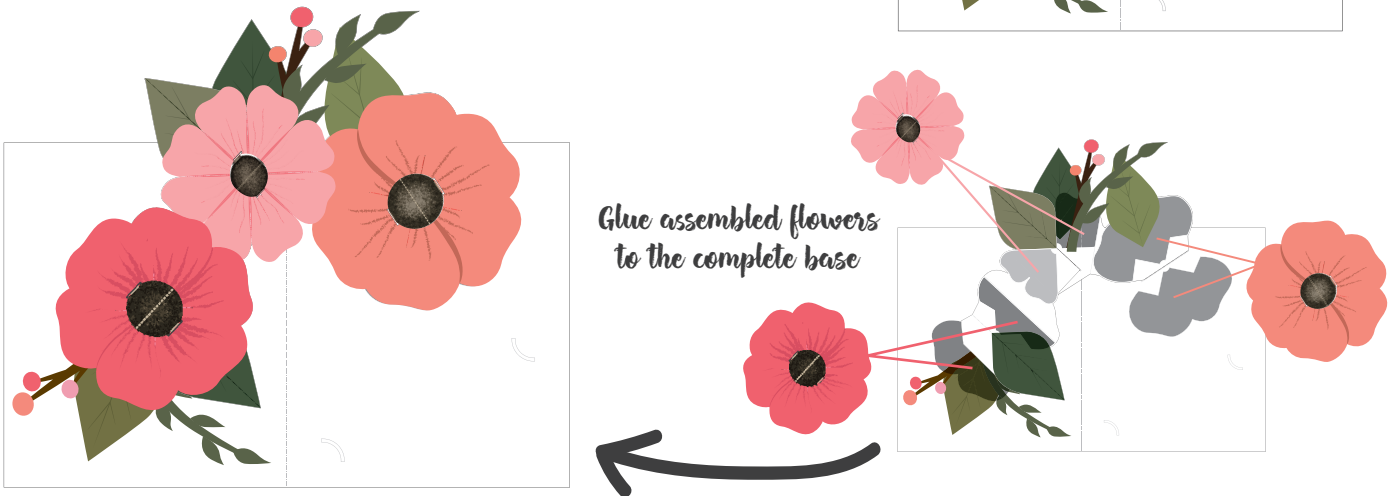

Insert hinge 2 to hinge 1 and glue at the back.

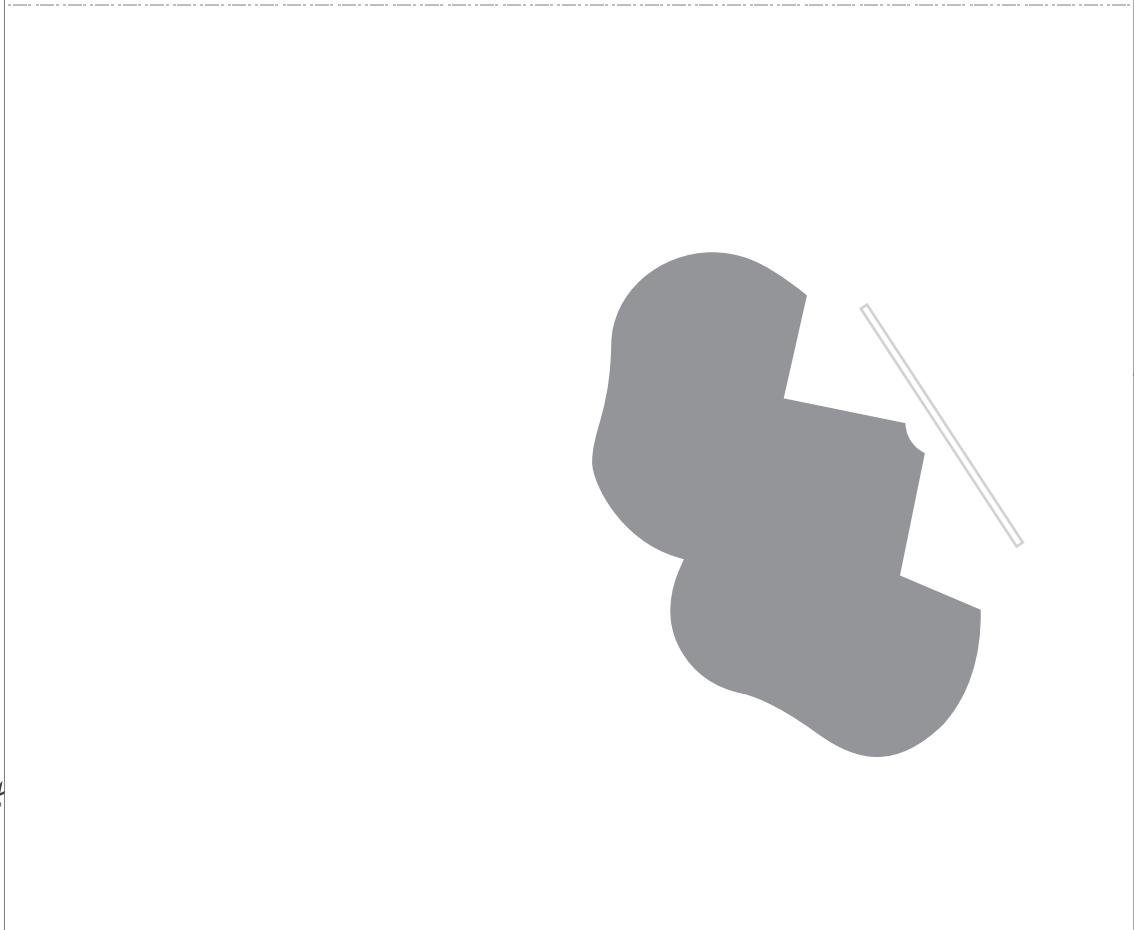

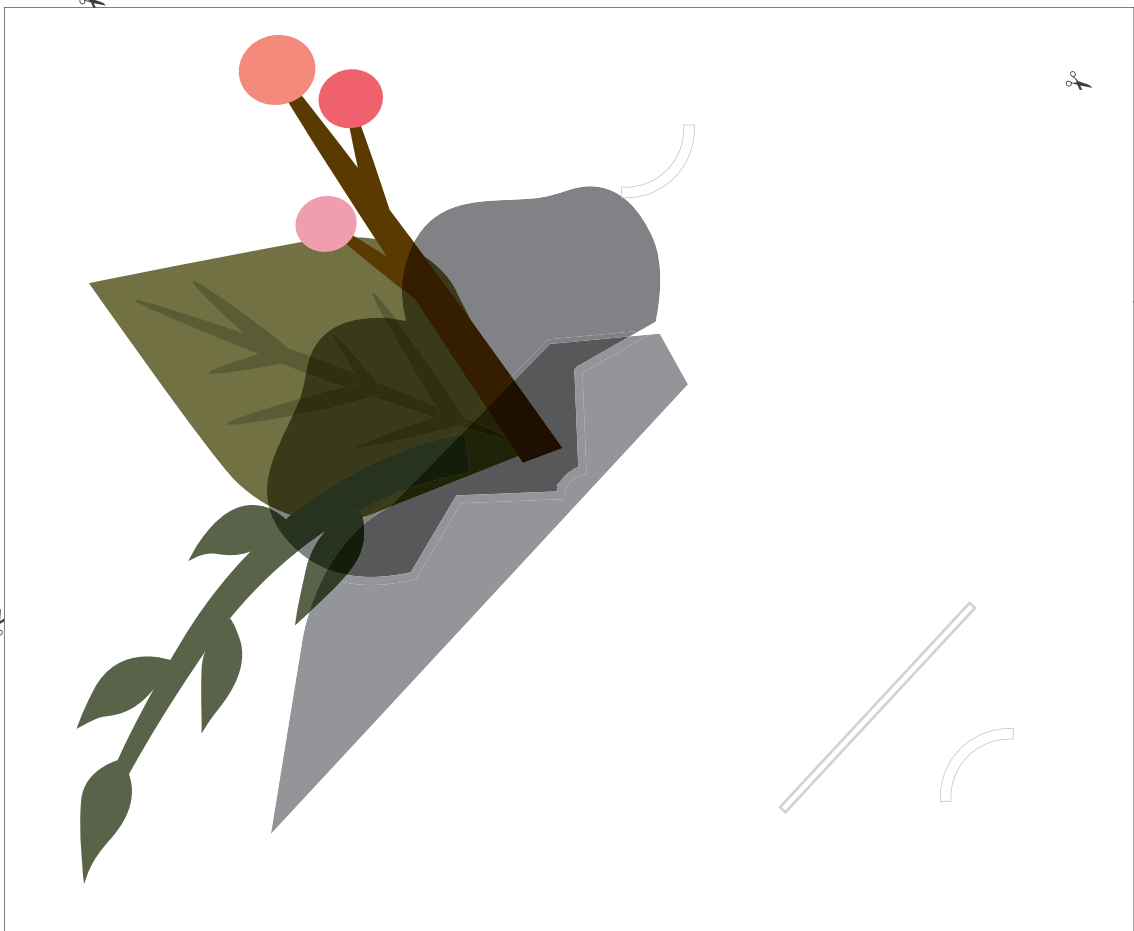

Glue the leaves (on hinge 2) on to the base and hinge 1

Glue assembled flowers to the complete base

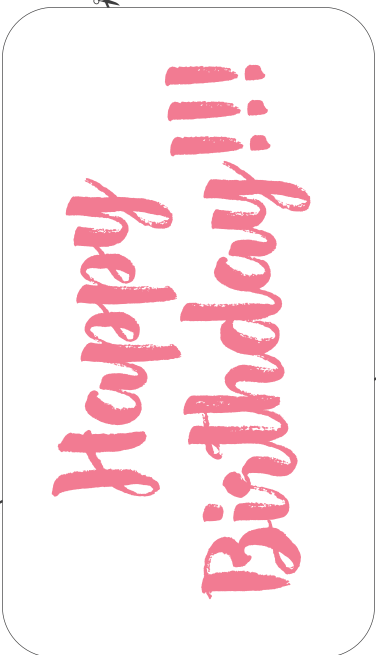

Base

Front
Cover

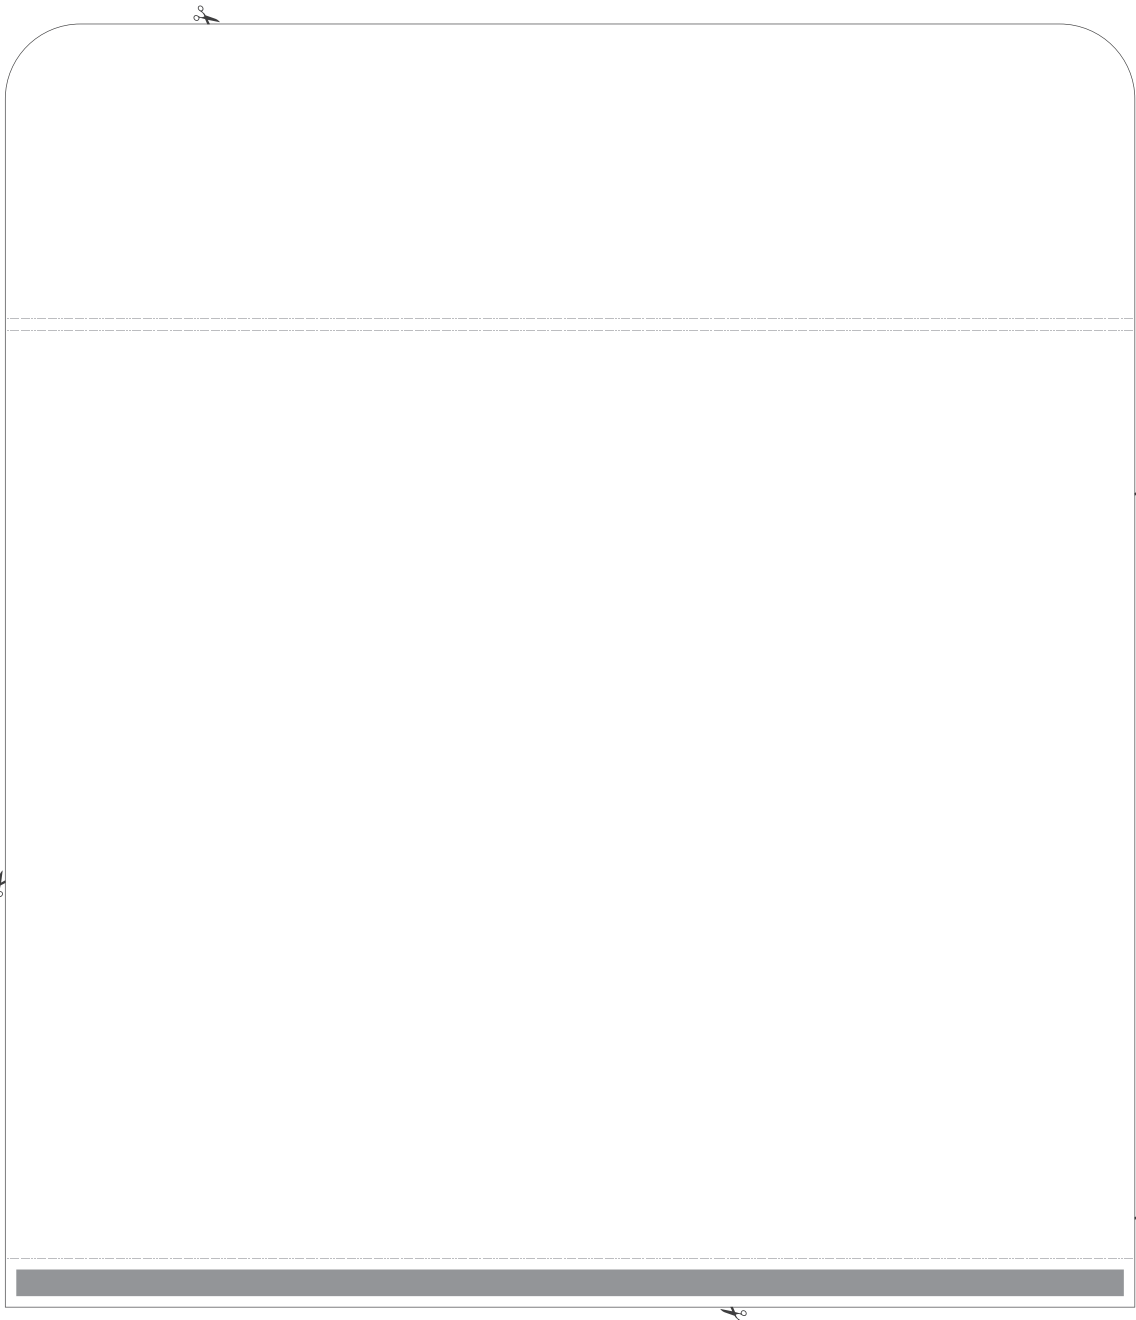

Hinge 1

Letter 1 & 2

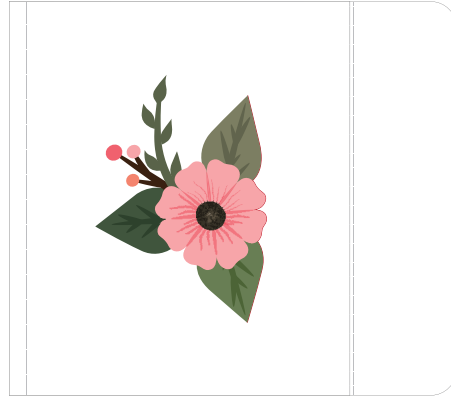

Back Cover

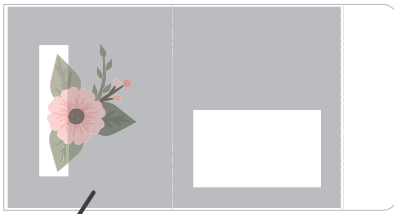

Hinge 2

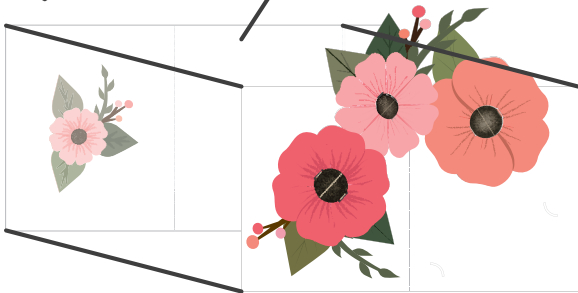

Glue front cover to back cover

Note : glue area on the back side of the cover is the darker area

Glue base to the back of the cover

or

And you're done!
You could use either of the notecards to insert on the slot provided for it.
