

HOW TO USE THE STENCIL:

MATERIALS:

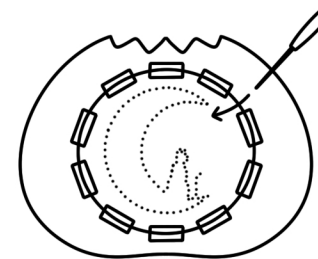

Scissors
Tape or pins
Pumpkin poker, nail or push pin
Knife or saw
Pumpkin light or candle

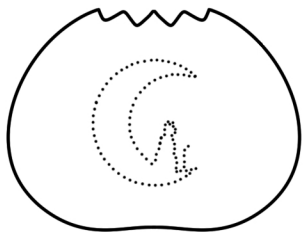

1. Cut out the stencil along the dotted line.

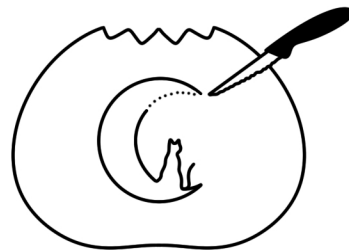

2. Tape or use pins to attach the stencil to the pumpkin.

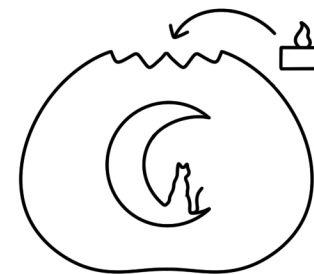

3. Poke holes through the stencil with a pumpkin poker, nail or push pin.

4. Remove the paper.

5. Connect the dots and carve the design with your knife or saw.
To remove pieces, push them out from the inside.

6. Once your pumpkin is all set, use a pumpkin light or a candle to light it up!
