POSTGAME QUICK QUOTES

OHIO STATE HEAD COACH URBAN MEYER

On winning back-to-back Big Ten Championships...

“This means representing the Big Ten Conference, arguably the best conference in college football, representing the East Division, arguable the best division in college football, and I’m surrounded by some of the best football players I’ve ever been around. And they are even better people. And one last thing, Buckeye nation, we love you, thank you for your support all year long.”

What would you tell the committee about this group of players as they go into debate tonight?

“I think all you have to do is look at the body of work, we won on the road and got some tough wins: TCU, Penn State, Michigan State, and then to come back and play against our rivals the way we did and then we went and represented the Eastern [Division]. We had a great game here, I think we deserve a shot.”

On this group of seniors...

“Being respectful to all the other senior classes we’ve had, it’s hard to say they aren’t the best I’ve ever been around. These kids, think about what they have been through, think about how they stuck together through hard times and they found a way to finish this thing off the right way and win a championship. I love them.”

OHIO STATE MVP DWAYNE HASKINS JR.

On his performance tonight...

“It means everything. It’s all thanks to these guys right here in this group – coaches, players, family and my beautiful girlfriend. [They] all supported me throughout this whole season. I’m so thankful. God is good but how about them Buckeyes?”

On what this group of players has meant to him in his first season as a starter...

“How could I not say thank you to all of those guys in our group? It’s a quarterback’s dream to not only have great receivers but a tremendous offensive line, great running backs, and [a] great coaching staff. I couldn’t ask for more.”
